

DW Productions 2025 Entry Instructions

How To Enter:

1) Set up your horseshowtracker.com account

Go to www.horseshowtracker.com

You can enter 2 horse shows for FREE

After your 2 shows, there is a minimal fee for you to use the entry system

The packages I recommend: 1 Horse/Unlimited Entries or Unlimited Horses/Unlimited Entries

2) Click on My Stuff

3) Click Manage People - Add each of your exhibitors

If it prompts you to enter an association and you are not a member of any, just click cancel and enter your info in the next screen.

Add First Name, Last Name, & Birthday for each exhibitor that will be showing.

4) Click Manage Horses - Add each of your horses that you may or may not show this year

Use your horses registered name if possible. Have a picture of your registration papers. If they are not registered, click cancel with the first prompt and then you can enter their name, sex, & birthdate (best estimate)

**The above steps only need to be done 1x in your account and can be done anytime!
You can add more horses & exhibitors anytime.**

**When a show opens for entries, you can do the following steps to enter!
Reserve your stalls first. They sell out.**

5) Click Online Entry: Click on the DW Productions show you want to enter.

Online Entries will close prior to the show. Follow social media for updates.

6) Click on Manage Entries & then Click + Enter A Horse: Select the horse you want to enter.

Do this step for all classes you want to enter.

Make sure you understand the rules. Same horse rider/combo cannot

This online entry system is new for me in 2025 but used by hundreds of people for many shows across the US! I am excited about this and hope you will be patient as we navigate this change together!
